

**Parkview Primary Care Physicians PLLC. is withdrawing from
Primary Care First (PCF)**

Effective 12/31/2022, our practice will no longer participate in Primary Care First (PCF)

This change will not impact your ability to see your provider or the quality of care we deliver. We remain committed to providing convenient, high-quality care.

Your Medicare benefits **aren't** changing. You still have the right to use or visit any doctor or hospital that accepts Medicare, at any time. Your doctor may continue to recommend that you see particular doctors for your specific health needs, but it's always your choice which doctors or hospital(s) you visit.
